

First annual mouse races are a big hit

Written by Holyoke Enterprise

Fifteen mice were the main attraction at the first annual mouse races held Saturday, Sept. 4 at Phillips County Event Center. Numerous people turned out in support of the Holyoke wrestling club. Jack Garrison introduced himself as the new head wrestling coach for HHS. After a meal and calcutta auction, the mice took to the track. Those who purchased mice and those attending cheered as mice ran down the track. Max Dirks takes a good look at the mice before picking a winner. □□—Enterprise photos
