

Adopt-a-Family packages delivered this week

Written by Holyoke Enterprise

Forty-seven packages were delivered to adopted families in Holyoke Monday, Dec. 20. Each package, weighing roughly 50 lbs. not including the turkey, milk and gifts, included such items as non-perishable food, cleaning supplies, napkins, paper towels, Kleenex, toilet paper and hygiene products.

The Adopt-a-Family initiative is made possible with the cooperation of Phillips County Department of Social Services, Zion Lutheran Church and many generous community members and organizations. —Enterprise photo
