---

**Jeff and Olga Sullivan's decorated home and yard, pictured above, earned them second place in this year's annual Christmas lighting contest. The Terry Martin and John Schneider homes, pictured below, received third place.**

**The annual contest is sponsored by The City of Holyoke and Holyoke Enterprise and awards prizes to the top three decorated homes in and around Holyoke. It has been decided by the sponsors that homes may not win back-to-back years. Holyoke has many deserving winners this year, as it is evident people took pride in hanging their annual lights. With all the creative displays, it is definitely worth the time to drive the family around town to take a look. —Enterprise photos**
