

## PC Cares sends packages

Written by Holyoke Enterprise

---

Operation: PC Cares members are saying they will continue to send packages to local servicemen and women serving in Iraq and Afghanistan as long as there are funds for additional items and postage. On Monday, Dec. 1, packages were mailed to the following servicemen: Scott Crowder of Amherst and Ryan Michael, Jeff Firme and Rick McIntosh of Haxtun.

Jeremy DeBoer from Holyoke is expected to be back in the U.S. this month. For those wanting to donate items for future packages, they can be dropped off at the Holyoke Chamber of Commerce office or with Julia at Haxtun Liquors. To inform the organization of someone who should be receiving a package, email the Holyoke Chamber and include the address.
