

Lions Club provides wheelchair for local grocery shopping

Written by Holyoke Enterprise

John Erickson is a happy shopper as Holyoke Lions Club recently provided a wheelchair for use at Holyoke Marketplace. Erickson is pictured with Marketplace floor manager Wade Warren during a successful shopping trip Monday morning.

Erickson said when the weather is nice he rides his scooter to the store and takes it in to assist in shopping. But during the winter, he has had a hard time. He approached the local Lions Club, and Larry Stein assisted in getting the loaner wheelchair lined up at Holyoke Marketplace for those who need it. □ □
