

Prayers, thoughts lifted up for Kelsie

Candles were lit and prayers were lifted up Sunday evening, May 5, during a prayer vigil at Holyoke City Park for 22-year-old Kelsie Schelling, who has been missing for three months. Community members offered their support to Kelsie's family and to one another as the search continues to find this young woman last seen in Pueblo Feb. 4.

The Sprague family, pictured above with Kelsie's father, Doug Schelling, in center, made shirts to show their support of the search for Kelsie. The family is pictured from left, front row, Luke, Lily Ana, Schelling, Mason and Emma Marie; and back row, Alec, Harper Leigh, mother Emma and Gage Sprague. They are just some of the many people in the Holyoke area who are concerned about Kelsie and are praying for her safe return home.

More information about Kelsie can be found on the Help Find Kelsie Facebook page or at HelpFindKelsie.com .
