Written by Holyoke Enterprise

□□ With fair time just around the corner, businesses in Holyoke are gearing up for it by having their windows painted in the 2009 “Keepin’ It Country” theme. Pat Samples-Ehrlich of Fort Morgan is painting the county this week to promote the Phillips County Fair, scheduled for July 22-26. She is pictured in Holyoke, designing one of the Holyoke Marketplace windows. Members of Challengers 4-H Club contacted area businesses to handle the sales for the talented window painter. Phillips County Extension Office will be distributing fairbooks this week.□□ —Enterprise photo
