

Teens dive into adventure

Written by Holyoke Enterprise

It's been an "Underwater Adventure" this year at Heginbotham Library's teen summer reading program. In addition to reading lots and lots of books, the kids had fun with a movie and popcorn the first week, karaoke and nachos the second week and a cake decorating contest the third week. The crew was all set for their final adventure at the Downtown Aquarium in Denver this Wednesday, June 26.

Teens are pictured at their June 19 cake decorating showdown. An underwater-themed cake was presented by one team, pictured above, from left, front row, Tyler Lamm, Eli Meakins, Haley Van Overbeke, Lali Marquez and Amy Mackay; and back row, Kylie Donovan, Kenton Bogan, Ethan Andersen, Regan Van Overbeke and Ashlyn Churchwell.

Another group, pictured below, laughs as they create their Swedish Fish vs. German Gummy Bears war scene on their cake. Teen readers are pictured clockwise beginning in the lower left, Remington Hielscher, Jair Jimenez, Maura Castillo, Tayler Hale, Ethan Grauberger, Alondra Zapata, Josie Herman, Anna Jelden, Emily Jelden, Makenzie Martin
