

Fun times at the cinema

Sonia Hubbard, pictured at right as Lydia O. Lydia in “The Girl in the Tutu or ... The Villain Kept Her on Her Toes,” sums up the Saturday evening CineMagic event well. The melodrama was the final touch to a fun evening of much laughter.

Cowardly lion Delmer Moss from “The Wizard of Oz,” pictured above at left, meets lion Sherman Kage from “Oz: The Great and Powerful” at Saturday night’s CineMagic event at the Peerless Center in Holyoke. The rest of the Oz crews at the Moss family and friend table and the Regent Park/Carriage House table made one feel as if he/she were in the Land of Oz.

And then there were characters from “The Great Gatsby,” “The Matrix,” “The Lone Ranger,” “Star Wars,” “Harry Potter,” “Despicable Me” and “The Addams Family” to add variety to a fun evening.
