At a business meeting held Jan. 29, First Baptist Church of Holyoke voted unanimously to embark on a program of modernization for the sanctuary. The project will include new chancel furniture, upholstered pews, carpet replacement and loud speaker system. The total project will cost in excess of \$5,000.

The 51-year-old bridge across Frenchman Creek just south of the Pleasant Valley schoolhouse has been replaced with a new structure. The old bridge, quite narrow and with poor approaches, was suitable for the traffic of the era in which it was built but became increasingly hazardous as motor vehicles became larger and faster.
