

## Jolly Dozen learns ins and outs of wheat, grain and flour

Written by Holyoke Enterprise

---

**John Stromberger, CSU Research Associate, visited with the FCE Jolly Dozen Club and guests Tuesday, Nov. 9. The group met at Phillips County Event Center to listen to the presentation on different whole grain and flour varieties. Stromberger also gave an overview of the initial grain cleaning process to the final stage of baking. Bread samples were on display as pictured above.**
