

Youth celebrate National 4-H Week

Written by Holyoke Enterprise

No, this hay bale didn't just roll off a passing truck and end up painted as a barn. Members of the Raising Ranchers 4-H Club decorated it as they celebrate National 4-H Week Oct. 1-7. All of the area 4-H clubs have decorated hay bales which are spread out through Phillips County. This barn is located at Lions Club Mini Park near the stoplight in Holyoke. All 4-H members will gather Sunday in Haxtun for the annual achievement program.
