

Progressive 15 to host water summit Friday

Written by Holyoke Enterprise

Progressive 15 is hosting a water summit Friday, March 28 in Fort Morgan. Speakers will cover a variety of topics to educate about water and the importance of it to our area of the state.

The governor has directed his staff to develop a statewide Colorado Plan, and John Stulp will be at the summit to bring everyone up to date on what the plan contains.

Deb Daniel and Jim Yahn will give perspectives from both the South Platte and Republican rivers. Joe Frank will give an update on public doctrine and how potential legislation in this arena will directly impact water rights and use. Jerry Gibbens will be giving an update on Northern Integrated Supply Project.
