

Timm is All-Tournament VB player at districts

Written by Holyoke Enterprise

Kendra Timm recently received the “All-Tournament” player honor for her performance at the district volleyball tournament Friday, Oct. 30 at Northeastern Junior College in Sterling.

The Holyoke High School senior is a hitter for the Dragons and was a leader in game stats throughout the 2009 season. In district tournament action, Timm had a total of 31 kills in the two matches against Sedgwick County and Merino among a number of other good blocks, digs and serves.

HHS volleyball coach Sandra Rahe hopes to see Timm continue her volleyball career at the collegiate level.
