

Dragons go 2-3 in Burlington tournament

Written by Brenda Johnson Brandt

It was a rough weekend of softball for the Dragon team in the Burlington tournament Friday and Saturday, Sept. 7-8.

But the girls did manage to pull through for two wins, while losing three games in the tourney.

Coach Ashley Clayton said the girls started the day Friday struggling to score runs and keep errors to a minimum.

Against Rocky Ford, they faced the best pitcher many of them have ever seen, said coach Clayton. The girls lost to Rocky Ford 0-15 in three innings and lost to Akron 3-7.

“By the time the third game of the day came around, the Dragons played to the level they are capable of playing and came away with a well-deserved 14-9 win,” said the coach.

Saturday, the local girls shut out Akron 15-0 and fell to Wray 2-6.

“Defensive errors and mental mistakes seemed to be a struggle all weekend long,” said Clayton. “I have no doubt that the girls will work hard to eliminate those errors and come out strong against Wray on Saturday,” she added.

The Eagles come to Holyoke Saturday, Sept. 15 for a doubleheader beginning at 10 a.m.
