Holyoke girls scored a big win Tuesday, Jan. 8 when they defeated Wiggins 49-21, with a standout 31 points put up by senior Erin Vieselmeyer.

They followed up the win with a game in Burlington Saturday, Jan. 12, a disappointing 31-46 loss.

“This past week was really a tale of two different teams,” said coach Arlan Scholl.

The girls shot 80 percent from the free throw line in Wiggins, 7-8 compared to the Tigers’ 6-12.

In Burlington, they shot 35 percent from the free throw line, 8-23 compared to the Cougars’ 11-13.

“The girls all played hard in both games,” said Scholl, “but we just couldn’t come away with the win in Burlington.”

Defense has been the key for the Dragons this season. They played great defense in Wiggins, holding their opponent scoreless in the first and third quarters. “We continue to work each day on our defense, and this team is really doing well with their defensive fundamentals,” said Scholl.

He added that they struggle at times with hitting their shots, “but you can be assured that each player continues to work on this part of the game each day in practice.”

Midway through the season, Scholl is excited to get back into the portion of their schedule where they can have a regular rhythm of practicing four days a week and playing on the weekend. “This should work to our advantage as the season continues.”
