

Summer rec registration April 22-30

Written by Holyoke Enterprise

It is hard to imagine with the number of snow storms that have lingered well into spring, but summer baseball and softball seasons are just around the corner.

For those interested in participating in Holyoke's summer rec program, registration is open between April 22-30. Registration forms can be picked up and returned to the elementary school or the city office.

Fees must be paid at the time of registration, and parents must sign a waiver for a child to participate.

T-ball registration is open for boys ages 5-7. Baseball registration is open for kids ages 8-15. Those who plan to play in the Babe Ruth division, ages 13-15, will need a copy of their birth certificate for registration.

For girls, T-ball registration is open for ages 5-8 and softball registration is for ages 9-16.

Ages are determined as of April 30, 2013.

Those interested can contact Theresa Tharp, summer recreation director, at 854-4514 or 520-7767. She can also be reached at the elementary school at 854-3411.
