

Holyoke stays perfect at home

Written by Kyle Arnoldy

After suffering their first loss of the year last weekend in Limon, the Holyoke baseball squad bounced back in dominating fashion for the last home games of the regular season. The Dragons handily took down Akron 16-5 and 16-8 during the Wednesday, April 24 doubleheader.

The wins improved Holyoke's record to 12-1, including a perfect 10-0 at home.

Holyoke 16, Akron 5

Holyoke did not get off to a great start in the doubleheader. Akron scored four runs in the top of the first inning on two hits and two costly errors to jump to an early lead.

HHS climbed out from the hole they had dug for themselves, however, rattling off 16 runs over five innings.

Coach John Zilla commended the aggressiveness of the team at the plate, but commented that some mental mistakes allowed Akron to have the big first inning.

"It's scary how good we could be if we put it all together," Zilla said.
