HHS auditorium was filled with the sounds of zoo animals at the annual first- and third-grade music program Thursday evening, April 18.

Under the direction of elementary music teacher Marcia Dalton, the students took the audience to Wackadoo Zoo, a place where the animals aren't quite sure what sounds to make.

Fun songs included "The Strangest Zoo You Ever Knew," "A Smile can go a Long, Long Way," "Horrible Sounds," "Practice Makes Perfect," "Go Home Professor, Go Home!" and "Different Means Special."

Not only was it quite a zoo in there, the elementary music program featured some talented singing and dancing. First-grader Isaiah Brownfield is all business as he performs a dance.
