

22 HHS students participate in FCCLA districts

Written by Holyoke Enterprise

Twenty-two Holyoke FCCLA members, along with adviser Karen Ortner, attended the Northeastern Plains District Conference at NJC in Sterling Wednesday, Jan. 29.

Potential district officers gave speeches, were interviewed, and if elected, participated in the installation ceremony for the 2014-15 school year at the conference. Member Megan Vieselmeyer served on the interviewing panel to help choose and place these new district officers.

Officers from each FCCLA chapter in the district hosted 15-minute round table workshops for all members attending, covering topics from running for state office to stress relief to the FCCLA planning process.
